The subscriber can control the fees for premium-rate services (Premium Services - a telecommunications service with an additional benefit) by using the free-of-charge call limit functionality within four thresholds, which are PLN 0, 35, 100 and 200.

If the subscriber does not specify the amount threshold referred to above, this threshold is PLN 35 for each billing period, in the absence of it - for each calendar month.

To enable/disable call limit, please contact us at the number 22 380 81 82

The price list is valid from December 12, 2018
